Our Mission: To ensure all of our students achieve high levels of learning required to succeed as a 21st century learner

Happy Holidays

On behalf of everyone here at Mountain View Middle School, we would like to wish you and your family happy holidays. Enjoy the Christmas break and relax. We'll see you in January.

Other Important Information

Incoming Freshman Elective Assembly

Next Friday (12/18) the 8th grade students will travel to the high school to learn about the elective options available to them when they enter high school next year. Elective teachers will discuss each of their programs to the students as well as giving them a tour of the classrooms. This is one of the first steps 8th grade students will begin to take this year as they prepare to register for freshman classes.

Report Cards

Report cards for 1st semester will be available through the PowerSchool parent portal in early January. A Swift Alert will be sent out to parents when they have been loaded into the portal.

UGLY SWEATER CONTEST!

Save the date: Next Thursday the student council is sponsoring an ugly sweater contest for all middle school students. Bust out your ugliest sweater, or see what grandma has. Just make sure to put it back before she finds out!

Extra-curricular Events

The WHSAA is requiring all spectators, officials, and athletes who aren't actively playing to wear a mask at all times while in the building. In a nutshell, it means that once a person enters the building, they must keep their mask on at all times even if they are able to socially distance. The WHSAA board of directors have instructed and expect school districts to remove any spectator not following the mask mandate. In addition to this, failure for spectators to follow the mandate could put the school in jeopardy of having sanctions placed on it's team and their season. Please help us ensure our students are able to compete in their activities and complete their seasons.

We are in the process of installing a camera system in the K-8 gym so we can stream middle school events. Our goal is to have it up and running for the upcoming boy's basketball season. We'll have more information available about how to access the games when we get closer to the season's first home game.

2nd Semester Electives

With the exception of Band and Choir, all elective classes will change when students return to school in January. If your student has a preference for an elective this next semester, please have them email Mr. Van Dusen <vandusent@uinta4.com> with the request prior to leaving for Christmas break. We try our best to get students into the electives they want, but sometimes they fill up or are only offered on certain days. We'll do our best to accommodate all requests.
