Social Media

Social media is an everyday part of our lives. It can be a great tool that makes our lives easier and more enjoyable. However it can also be misused sometimes. Next Wednesday the 25th, Brooke Hale from the Uinta County Sheriff's Department will be presenting information about social media safety. The presentation will be held at the High School Auditorium at 6:30pm. The purpose of the presentation will be to provide information to parents about different forms of social media and what to look for to make sure kids are being safe while using social media.

Sports

Congratulations to the cross country, football, and volleyball teams on their very successful fall seasons. Wrestling, boys swimming, and girls basketball are starting practices this week. Good luck to all the athletes competing.

Attendance

It's very important for students to be in school so they don't miss out on instruction or fall behind on assignments. However, there are times when students need to miss because of illnesses or appointments. Please make sure any time your student is absent from school to contact Sala at the front office. Any doctor's notes need to be turned into Nurse Chris or Nurse Ellen.

Weekly Grades

The weekly progress reports that are sent home on Tuesdays will be phased out by the end of October. Parents will be able to access their student's grade via PowerSchool. If you haven't signed up for a parent account, please contact Sherri Stucki at the High School. Parents who are already signed up will need to check and make sure they have clicked the e-mail notifications settings so they can receive them.
